

2011 Growth Management Update Grant Amount List

The Washington State Department of Commerce provides Growth Management Update Grant funding to jurisdictions to assist them with meeting their Comprehensive Plan Update responsibilities. The 2009 Legislature approved funding for the next round of updates to be completed by December 1, 2011. The award amount was determined based on the level of the jurisdiction's population and Growth Management Act responsibilities.

This Growth Management Act Update grant is available now for all 2011 jurisdictions and could be used as soon as the grant application is filed and an agreement is signed by both parties. Detailed information on what is needed to apply is contained in the application package. If you have any questions or need additional information, please contact Ike Nwankwo at (360) 725-3056.
